
The net has been designed with red tabs to identify the top corners and blue tabs to identify the bottom front corners. Follow the numbered sequence to attach the net.

Net Assembly Instructions

1. **Using 2 self-stick closure straps, 1 for each corner on the top bar, tie the top right and top left corners, identified by the two RED tabs.**

2. **Using 2 self-stick closure straps, 1 for each corner on the lower front bar, tie the lower right and lower left corners identified by the two BLUE tabs.**

3. **Stretch the net and using 2 self-stick closure straps tie the back bottom corners.**

4. **Fill in the top front section with 5 self-stick straps.**

5. **Fill in the two side sections with 5 self-stick straps.**

6. **Fill in the bottom back section with 6 self-stick straps.**

NOTE: Adjust the self-stick straps by moving the straps left or right as necessary to prevent large gaps.

NOTE: Following goal assembly, 6 ground stakes will help secure the goal. Two are recommended placed over each side/base tubes, right side and left side near the front. Two are recommended placed over the back/base tubes.
